Dr.Mona Kelshikar's paper "Daksha Dmodara's **Savitri** : A Socio Feminist Reading" was published in Research Hub International Journal for Multidisciplinary Studies in Jan 2016.

On this occasion I remember two members of our HL family who left for heavenly abode this year Ms. Rishita Parmar Mr. Jayesh Parghi. May god give them eternal peace.

I would also like to mention that three of our colleagues will have retired when we celebrate Annual Day 2016-17. Shri Maganbhai Parmar, Shri J R Gadhavi and Dr. N. J Chaniyara. It is only appropriate to the occasion that we felicitate them for their dedicated efforts over a long span of time towards this institution.

I request Shri Maganbhai Parmar to come on stage and I request Shri Parag Desai to offer him a memento.

I request Shri J R Gadhavi to come on stage and I request Shri Parag Desai to offer him a memento.

I request Dr. N. J Chaniyara to come on stage and I request Shri Parag Desai to offer him a memento.

“And I am very happy to mention that all stake holders of HLCC are working in unison to achieve the common goal of excellence and towards our motto

“Widening Horizons...”

It is time to say thank you to all well-wishers who have endeavored to carve out the success story of HLCC's Annual Year 2015-16. I express my sense of gratitude to the Ahmedabad Education society especially to Dr. A. H. Kalro, the Academic Advisor under whose guidance we have charted out our future plan for Academic as well as Research Activities and to Shri. B M Shah Sir, Director AES for the unstinting support given by him all our endeavors for the development of our students and HLCC. I also thank the Heads of all the Institutions on H L Campus for their co-operation. I express my thanks to the Alumni Association for their continued support over the years. Very shortly the sports complex which has been created with the collaborative efforts of the

HL Alumni Association and support from AES, will be declared open for the use of HL'ites. We express our gratitude to the HLCAA and AES for the same.

Last but not the least I thank my faculty, staff and students for all their efforts in bringing such multiple accomplishments worth celebrating.

Thank you all for a patient hearing.
