## Discussion and Decisions

Prof. H R Bharucha had showed his interest in initiating TEDx HLCC. Committee welcomed the idea and agreed upon initiating it but it was also decided that program should be self-reliant and college should not take any monetary burden of the program. Prof. H R Bharuch was given the responsibility as Prof. in-charge.

Dr. A H Kalro had expressed his desire of organizing an Accountancy conference at HL. All members showed keen interest in the discussion and decided to organize it and inviting experts of national repute. Faculty and research scholars across India were to be invited for the conference. Also students of the college should be invited for the conference so that they are benefited by the knowledge of the industry leaders. Dr. N S Bhavsar was made the convenor of the conference.

Looking to success of previous FDPs, Principal was interested in organizing more such programs for faculties and college staff. Members agreed on it and AES and Alumni association showed their willingness in inviting experts for the program.

H L Alumni Association President had shown interest in greening of cricket ground. He also showed his readiness to shoulder the responsibility of leading the project and completing in time of 6 months. Meeting welcomed the point and he was given the responsibility of the project.
