11	Prof. V M Bhatt	Member
12	Mr. Harshad Shah, Accountant	Member
13	Shri B M Shah, Director AES	Invited member

# H L College of Commerce

## Discussion and Decisions

Principal expressed her concern that we being a grant in-aid college have a limited scope of modifying the syllabus. It was unanimously decided to start new add-on courses as a part of H L Empowerment initiative., College should independently or in association with private institution initiate short term and long term courses keeping the industry requirement in mind with very nominal fees. Dr. N S Bhavsar was given the responsibility for the H L Empowerment initiative.

As decided in the last meeting, H L would host the Ahmedabad Zone Sports Meet and Dr. N J Chaniyara would be the convenor for the event. Dr. Chaniyara updated the committee with the developments and preparations for the event. Few from faculty, administrative staff and students were given responsibility to manage activities on ground. It was decided that all students, faculty members and administrative staff will be on ground to support and cheer the participants. Vice Chancellor of Gujarat University will be the Chief Guest of the event.

Dr. N S Bhavsar, in-charge of H L Empowerment initiative proposed to start with Tally ERP course for the students. It was agreed by all members and suggested to collaborate with private training institute for the same.

Co-ordinators of IQAC felt a need of initiating an activity at HL that inculcates sense of giving back to the society. They proposed to initiate a program to educate children of street vendors at HL after the college hours. It was decided to start with this program and name it as Evening Gurukul. Few of college students will take the responsibility of educating these children with basic skills of computing and communication along with life skills.
