## Discussion and Decisions

The college was invited by Gujarat University to submit a proposal to start a new course with higher credits as compared to the existing normal B Com program.

It was decided that the new proposed course should be of 4 years, B Com (Hons.) with specialization in Accountancy.

An outline of the course to be offered was drafted after a long discussion with the departmental heads and considering the industry needs.

It was decided at the meeting to get more clarity on certain issues regarding the new proposed course.
