15. Multidisciplinary / interdisciplinary

The college has initiated a gradual transformation into a holistic multidisciplinary institution even while maintaining the guidelines of the affiliating university. It plans to collaborate with its sister institutions functioning in the disciplines of Pharmacy, Science and Arts under the umbrella of our trust AES to offer multidisciplinary elective courses. The Innovation Club creates interest in students towards science and technology. Foundation courses and soft skills courses provide inputs for personality development, leadership, value-based education. Excel and Tally software training programs prepare students for employment. The college also encourages its faculty members to engage in multidisciplinary research and provides basic facilities like access to books, research journals, reprography, printing, computers and internet, as also Duty Leave to attend various programs.

16. Academic bank of credits (ABC):

As an affiliated College working under the grant-in-aid structure, the college regularly conducts classes, marks attendance, administers projects/ assignments, conducts quiz/exams etc. as per the norms and guidelines given by the Gujarat University and Government of Gujarat. Internal evaluation done by the college is reflected in the marksheet and the performance is graded accordingly. As an affiliated college, the Gujarat University will be registering under the ABC.

Our students have been going abroad for higher education. The college provide an attested transcript to all the students who aspire for studies abroad for credit transfer and seamless transition to take on courses abroad. We have been frequently writing appropriate recommendation letters to support our students to get admission in good programs abroad. Our students have been going to the USA, UK, Canada, Europe, Australia and New Zealand for Higher education.

17. Skill development:

The college is making strides towards strengthening vocational education and soft skills of students by introducing various courses in alignment with National Skills Qualification framework. Most of the skill development courses are 2 credit courses taught as Soft Skills or Foundation Courses at all semesters. Excel and Tally software training programs help students in developing skills and prepare them for employment. We

also encourage our students to take up free online courses from SWAYAM and other such MOOCs and open sources.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

We have a vernacular medium class in each of the semesters for 3 English medium classes for every semester. Faculty members use the vernacular language (Gujarati) to teach in the vernacular medium class and a mix of English, Hindi, Gujarati is used in all the remaining classes. The college holds special lectures on Indian traditional topics which are delivered in English and Hindi languages.

The college encourages students to participate in all activities without any language barrier whether in Oratory, Poetry recitation, essay writing, one act plays, skits, mimicry, mono-acting etc. Music activities are conducted to promote Western and Hindustani Classical and Sugam Sangeet. Dance activities include classical dance, folk dance and garba. We also hold competitions like Rangoli and Mehndi to promote Indian Arts. Our Personality competitions and Fashion Shows also promote Indian traditions, language, arts and values. Topics for elocution and essay writing competitions are selected such that they require study and reference to our Ancient traditional knowledge.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

The Course Outcomes for all courses are listed as per the contemporary requirement of the job market and to enable enhancement in career progression. In accordance with the industry need necessary modifications are made in the curriculum by the BOS to bridge the Industry-Academia gap. Faculty members are encouraged to adopt teaching methodology and assessment and evaluation techniques with a focus on OBE. Elective Courses are defined to give specific outcomes so students can choose courses based on their potential and career choices. We have been able to make the learning more learner centric and enables them to identify their strengths and weakness and also help them overcome weaknesses.

20.Distance education/online education:

There is a strong possibility of offering vocational courses through ODL mode in the institution. We also encourage our students to take up free online courses from SWAYAM and other such MOOCs and open sources. We had the same practice in the year 2020-21 and 2021-22 where the institution was compelled to use

distance education through online mode due to Covid restrictions. The college has been very successfully using the MS Teams platform to ensure seamless online teaching, learning, problem solving, assessment and evaluation for all subjects. Guest lectures were also conducted online using MS Teams. We are currently using the blended learning mode as the use of MS Teams platform is ongoing for sharing study material, for notices and for assessment and evaluation.

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

As HL is affiliated to the Gujarat University, it follows the programs as designed by the university and the courses are offered as per the syllabus designed by the university.

With Covid-19, however, uncertainties regarding the academic year 2021-22 continued. The college was already well-equipped with infrastructure and facilities required to do online teaching through MS Teams platform. As the Gujarat government permitted colleges to allow students in physical classrooms, HL opened its

doors for the students to come to the classrooms. However, in order to facilitate a large number of students who were from out of the city and were hesitant to live in hostels/PG facilities, the college continued online classes on MS Teams alongside offline teaching in classrooms.

Department wise meetings were held, and faculty members together prepared the plan to teach various topics under each course. A synchronized timetable for online and offline classes ensured regular classes during the entire year. Informal evaluation of course completion was done at departmental level regularly from time to time. Comprehensive evaluation of students was done through online assignments and online internal tests conducted by the college. Final semester-end examination was conducted by the Gujarat University.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

Year 2021-22 continued to be disrupted due to Covid-19 waves. As the Gujarat University academic calendar to be followed by all affiliated colleges was delayed, HL prepared its own academic calendar for each of the two terms during the academic year. When the government permitted conducting physical classes at the college in July 2022 after the Delta wave, the college gave students the option to come to the college with all SOPs in place. However, online classes were conducted on MS Teams platform throughout the year as per the regular timetable which enabled students hesitant to come to the college to learn at ease from the comfort of their homes. Comprehensive internal evaluation of students was done through online assignments and online internal tests conducted by the college. As the Gujarat University centralized admissions and semester-end Gujarat University exams were delayed, the college conducted an additional online exam during the summer vacation in May 2022 in order to teach the syllabus in a proper manner and ensure adherence to the academic calendar.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

Professional Ethics is at the core of a business and an important value for every commerce graduate. These ethics are covered in various topics in courses like Taxation, Auditing and Business Organization and Management. Additionally, various foundation and soft skill courses offered by the College address issues related to professional ethics. Courses like Life Insurance Services (Sem I), General Insurance (Sem III), Business Process Outsourcing (Sem IV), Market Research (Sem V), Personal Financial Planning (Sem VI) and Business Information Analysis (Sem VI) are aimed to sensitize students towards professional ethics in various industries.

Gender issues are covered in various topics of Economics courses, and stories and other literary genres in the English subject.

Human values issues are addressed in a general sense in various topics of Economics courses and Commercial Communication courses, and in literature teaching in the English subject. Soft skills

courses offered by the College at various semesters seek to sensitize students towards various human traits.

Students are made aware of various environmental and sustainability issues as a part of teaching various courses of Economics, and foundation courses, viz. Environmental Studies and Rural Marketing.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

HL is characterized by the principles of diversity and equity of the students groups who seek admission. They come from urban elitists groups as well as from rural mofussil areas. As students from diverse educational, economic, social, linguistic and locational backgrounds secured admission at the undergraduate level, and started studying online/offline, the faculty members tried to help students from vernacular medium and make them feel comfortable with the English language by delivering bilingual lectures for initial few days and by gradually introducing subject specific terminology. During online classes, teachers would encourage students to unmute their microphones, participate in class discussions and ask questions, so that their doubts could be solved. Special revision cum remedial classes were held for giving additional attention to slow learners. More practice questions in practical subjects were provided to them. The brighter group in every class was provided with a platform during the class room discussions so that their special abilities are further sharpened. Challenging questions were provided to them. Students, both advanced learners and slow learners, were encouraged to contact individual teachers online for one-to-one clarification of doubts.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

During the year 2021-22, with more than 60% students choosing to study online and a limited face-to-face contact between teachers and students, it was a challenge to enhance learning experiences of the students. Learning was made student-centric by boosting the interactive process in academics. As teachers took online classes on MS Teams platform, they could use technology to make classes more interesting and student centric. Wherever possible the practical approach to teaching learning was adopted to ensure that students did not lose interest in online classes. After sharing videos and movie excerpts in the class, wherever possible, teachers posed questions. Students had to analyze and give their viewpoints. This encouraged participative learning. Teachers also shared links to free online learning resources like websites, videos, blogs, books, movies, notes, presentations, etc so that students could refer to them at their own convenience. Discussions, quizzes and assignments in online and offline classes made learning a fun activity. Questions were provided in practical subjects like Accountancy and Statistics, and students solved them on their own.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

Covid-19 pandemic in March 2020 and the subsequent restrictions necessitated exploring new ways of teaching-learning during 2020-21. The same continued through the academic year 2021-22. Teachers engaged students in online learning using the MS Teams platform. Effective teaching was possible only by using ICT tools. Teachers used various gadgets such as laptops, smart phones, tablets, ipads, digital writing pads, stylus, headphones, microphones, etc to conduct online classes. Depending on the subject, teachers used presentations, videos, movies, e-books, blogs, websites, notes, etc for making the learning process an enjoyable experience for the students sitting in their homes at various places. A lot of these gadgets and study material were used by teachers during 2021-22 in physical classes during offline teaching as well.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

With online as well as offline teaching-learning during the year, the College followed the guidelines declared from time to time by the Gujarat University and the government of Gujarat as regards continuous internal assessment. Accordingly, evaluation of students was done through online assignments and exams. The pattern of internal evaluation, tentative dates of assignment submission, college examination, and other relevant details were discussed in the staff meeting, and then communicated to the students. The HODs decided the names of faculty members and the courses for which they would set exam question papers. MS Teams platform was used to conduct internal assessment. Assignments were collected online using MS Forms or Google Forms. College internal exams were conducted online using MS Forms which ensured complete transparency and freedom from any prejudice in internal evaluation. Internal Audit and Academic Audit conducted at the College level also ensures transparency in all evaluation procedures.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

All important matters relating to college internal assessment, examination and assignments, such as pattern, marks, submission deadlines, etc were intimated to the students through circulars put up in MS Teams platform which has now become an official mode of communication to students. The marks scored by students were

put up on MS Teams and uploaded on the college ERP. Any student having any examination or evaluation related grievance could apply to the College for verification. The college informed the teacher concerned, who checked the records and solved the queries. The student would then be intimated of the result of the verification.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

The College has clearly stated the Program Outcomes (POs) for the B Com program and Course Outcomes (COs) for all courses. The POs and COs have been communicated to the teachers and students by

- Uploading them on the college website
- Displaying them on the notice board
- Communicating them to the teachers in staff meetings and departmental meetings
- Keeping a copy in the course file of various departments
- Making the students aware by communicating to them orally in the class

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The College has clearly stated the Program Outcomes (POs) for the B Com program and Course Outcomes (COs) for all courses. They have been communicated to the teachers and students. As the teachers deliver course contents in the respective classes, they make sure that the expected outcomes are attained by the students. Teachers set questions in the examination question papers keeping in mind that they help to measure the outcomes. Marks obtained by the

students in the college test and final university examination are a measure of the attainment of the PSOs and COs. Assignments/projects submitted by students and marks obtained by them also indicate the outcomes. Analysis of the results of the students by the college help to evaluate the attainment of POs and COs by the students.

3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

HLCC Innovation Club was set up in February 2022, as the government of Gujarat encouraged the Student Start-up and Innovation Program for non-technical graduate students studying in various colleges across the state. One faculty member and 3 students attended a 10-day 60 hours skill enhancement training in emerging technologies which was funded by the Gujarat government. The college has also been provided with 10 Do-It-Yourself (DIY) kits to be used by students for putting their innovative ideas into shape. There is a plan to organize hands-on training for more students at the college. The College invites expert speakers from various fields to share knowledge and spark 'out of the box' thinking of students and faculty. All this will establish a culture of innovation at the college, and the results will show up in times ahead.

The College also motivates research and creation of knowledge by teachers and students by providing an encouraging environment for research, various facilities, flexibility in timings, special/duty leaves, substitute teachers, books/journals, reimbursement of registration fees, etc. As a part of the College wall magazine H L Times, the college encourages students to prepare articles and exhibits to understand important issues themselves and make other students aware.

3.4 - Extension Activities

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

The College has active NSS and NCC units, which act as liaison units in arranging various extension activities in collaboration with various local organizations. They sensitize the students to various social, health, environmental issues and ensure their holistic development, and groom the softer side of their personality. Blood donation camps, visits to hospitals and old age homes, tree plantation, cleanliness drives, talks by experts for physical and psychological wellbeing, etc and programmes for environment consciousness, gender equity, civic duties, etc are organized to sensitize students to various social issues.

During 2021-22, 30 students participated at a 3-day camp at Maghodi village understanding rural issues and tried to address them. The NSS unit also organized student visits to a Cancer hospital and to an old-age home to sensitize students to social issues. Visit to an environment cleanliness institute and a tree plantation at the college campus made them realize the importance of environment and working for climate change.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

The AES management runs an office that has an in-house estate department which has appointed all the necessary staff to take care of routine infrastructural repairs and maintenance related to electrification, plumbing and carpentry. For routine maintenance of computers, printers, projectors, close circuit cameras, water purifiers, water coolers, air-conditioners, EPABX lines and gardens; for maintaining cleanliness in the campus and in the building; and for ensuring round-the-clock security, contracts have been given to outside agencies by the management. Library expenses are financed from government grants and library fee collected from the students.

Optimal use of the infrastructure is ensured. The college building, classrooms, premises, grounds and facilities are made

available to sister institutions for conducting classes and programmes, to Gujarat University for conducting examinations and sports competitions, and to government agencies for conducting various competitive examinations and for elections. The sports facilities are rented out to sports associations, clubs and corporates for holding their sports tournaments and matches. The Auditorium is made available to various institutions and organizations for conducting lectures, seminars, workshops and study circle meetings.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

HLCC has an active Students' Council comprising of 26 class representatives, two each from twelve classes of B Com and one each from two classes of M Com. Members are nominated to the Council on merit basis. Office bearers, who are nominated from amongst them, take lead in shouldering responsibilities in planning, organizing, delegating and carrying out co-curricular activities at the College. The other members are actively involved in assisting them and in coordinating the activities. The Students' Council under the guidance of the Faculty-in-charge annually organizes the cultural festival of the college "Expressions" and various inter-college and intra-college competitions and events, and celebrates various festivals/days at the college. The Council motivates students to participate in these events and competitions. It also acts as a liaison between the students and the college, making suggestions and discussing problems faced by the students. The General Secretary is a member of the IQAC, and plays an important role by providing student inputs for making various changes at the College. The Ladies Representative is a member of the CWDC (Collegiate Women's Development Cell), which works for the financial, social and emotional empowerment of girl students.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

H L College Alumni Association (HLCAA), established in 1988, has more than 6500 members. It acts as a link between the alumni and the alma mater. It aims to fulfil the desire of past students to have fellowship and helps them create an emotional bond with the college where they spent important years of their lives. HLCAA enables the alumni to participate in activities which contributes to the general development of the college. It regularly holds wide ranging programmes, educational and entertainment, involving both past and present students, thereby contributing to the College through financial and non-financial means. For these programmes, HLCAA collaborates with various city-based organizations and associations.

HLCAA organized 15 programs during 2021-22 adhering to Covid protocols. 400 people were inoculated at two free Covid vaccination camps. The HL Soccer League was organized for the first time, where 450+ players played 70 matches across 4 categories over 3 days. Former Union Minister Shri Suresh Prabhu delivered the annual Prin S V Desai Memorial Lecture. Workshops were organized to teach garba, Canva and eco-friendly Ganesha. Other programs included tree plantation, physiotherapy workshop, teachers' day celebration, painting competition, sports

competitions, and a farewell function for a retiring faculty
member.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

HLCC strives to widen the knowledge horizons of its commerce
students and adds wind under the wings of our students. All
students are provided with equal opportunities for learning and
personal growth. The College tries to bridge the gap between
academia and industry by initiating value added courses at
affordable fees for the students such as Tally ERP, short term
Computer Courses, etc. The College prepares its students for
careers or study after graduation by providing coaching for exams
conducted by UPSC, GPSC, Staff Selection Commission, banks, etc.
and for MBA entrance. HLCC MUN, TEDxHLCC, debate competitions and
other events hone the global awareness, communication skills and
leadership qualities of the students and instill team spirit and
sportsman spirit. The College faculty is dedicated to teaching,
mentoring and chiseling the creative potential of the students.
Social consciousness is instilled in the students so that they can
contribute wholesomely to the society. All academic planning is
done in advance when the academic year is about to close. Teachers
are involved in all decisions. All the academic, administrative
and cultural committees are formed with teachers as Convenors and
as members and the Principal as an ex-officio member.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The management structure of the college is decentralized and participative, with Ahmedabad Education Society (AES) at the helm of affairs. The Academic Council constituted by the AES consists of the Director AES, Academic Adviser and the Principals of the five grant-in-aid colleges under the AES. An Advisory Committee has been constituted for each grant-in-aid college which has representation from not only from the AES and HLCC, but also from the alumni and business. The Academic Council and Advisory Committee play a pivotal role in providing strategic inputs to the colleges for its progress. The Principals are authorized to govern and manage the colleges within the purview of the rules and regulations laid down by the Government of Gujarat, Gujarat University and the AES. All major decisions pertaining to academic calendar including teaching-learning, examinations, events and activities are taken after discussions at Faculty meetings which are convened by the Principal quarterly. The Heads of Departments (HODs) conduct departmental meetings for syllabus, exam related matters and result analysis. Professors-in-charge of activity clubs in discussion with student groups and Principal chart out the plan and budget for various activities. Thereafter, the Students Council helps teachers to conduct various student activities.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

Online and Offline Teaching-Learning

Year 2021-22 being an abnormal year due to Covid-19, the college

functioned according to the guidelines issued by the UGC, Gujarat government and Gujarat University from time to time. When colleges were permitted to conduct physical classes while following Covid protocols, HLCC resumed conducting offline classes. However, a major lot of students who resided elsewhere were hesitant to relocate to the city and come to the college. The college, therefore, continued to conduct separate online classes on MS Teams platform throughout the year in addition to the offline classes at the college, thus facilitating students to choose the mode of learning as per their convenience. The college conducted comprehensive internal evaluation of students through online assignments and online internal tests using MS Teams platform. Assignments were collected online using MS Forms or Google Forms. College internal exams were conducted online using MS Forms. Mock Tests for students made them comfortable with the new way of assessment. The college ensured complete transparency and freedom from any prejudice in internal evaluation. This ensured that all students could learn in a comfortable manner and were evaluated properly despite the uncertainties resulting from different waves of Covid hitting the country.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

Being a grant-in-aid college, HLCC works under directions from the Government of Gujarat, the Gujarat University and the Ahmedabad Education Society.

The College receives salary and library grants from the Government of Gujarat. The library grant is utilized as per the norms, and the accounts are audited from time to time. The salary of government appointed faculty members and office staff is directly credited to their respective accounts. The department of Higher Education looks into various matters like workload of faculty, service records, remuneration, increments, service rules, retirement, pension, implementation of Pay Commission, scholarships to students, etc. Appointments to faculty positions

are made directly by the government while involving AES and the college to a little extent. In absence of regular appointments by the government, deficit in teaching and non-teaching staff at the college is taken care of by appointments made by the AES.

Admissions to B Com and M Com are centralized at the Gujarat University. All academic matters like syllabi for various courses, reference books, course credits, evaluation system, etc. as well as the academic calendar, term setting, teaching days, dates of examinations, holidays and vacations etc. are decided by the University, and communicated to the College.

6.3 - Faculty Empowerment Strategies

6.3.1 - The institution has effective welfare measures for teaching and non- teaching staff

As the college is a government-aided college, the teaching staff is appointed by the government and gets all benefits as per the rules and regulations of the government of Gujarat. In order to encourage faculty members to attend professional programmes, duty

leave is granted and registration fees are reimbursed. Full time faculty members have been provided with laptops, free Wi-Fi, photocopy facility and individual collar mikes.

Most of the non-teaching staff at the College at present has been appointed by the AES management, and their salaries and all other benefits are paid by the management. The staff gets the benefit of PF, regular annual increments, holidays, casual leave, sick leave, earned leave, etc. and leave encashment benefits as per the Gujarat government and Gujarat University rules. The staff gets travel allowance for on-duty work. Group medical insurance and Mediclaim of the staff and their family members has been taken by the management. Class 4 employees are provided with uniforms and given washing allowance.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

At the end of each semester, regular online feedback regarding teachers' performance with regard to teaching methodology, depth of knowledge, teachers' ability to solve student queries, approach in the class and accessibility of the teacher is taken from all

students. Teachers are required to fill up their (Academic Performance Indicators) API forms. The Academic Adviser and the Principal conduct a personal meeting with each faculty member, where the API report and the feedback analysis are discussed. Research conducted by the faculty member and papers published are also discussed and motivation for further research is provided. An Academic Audit is carried out by an external agency every year. The report of this audit is sent to the Principal, the Academic Adviser and the management.

The non-teaching staff has been made aware of the performance report and its parameters. A report is prepared by the Principal and sent to the management every year. The Deputy Secretary of the AES along with the Principal then individually meet every staff member to discuss the same. Positive suggestions are then given to each of them and the annual increments are given thereafter.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

Mobilization of funds

The College mobilizes funds by way of sponsorships received from private organizations for various student activities, through college development activities by the alumni association, by rent received on renting the college building for various government exams, fees charged to students for short-term certificate courses and various special services/documents provided to them.

Optimal Utilization of Resources

The College is a classic example of optimal utilization of resources especially the infrastructural resources, the building and the ground, which are shared with the sister institutes. The building is used for running classes, certificate courses before and after routine college hours, and conducting various exams. The college ground is also rented out for various sports events on Sundays and holidays.

Resource Mobilization Policy

The Sponsorship Team of students' contacts prospective sponsors, discusses the deliverables with them and the Sponsorship Committee Faculty Coordinator also talks to them. Upon agreement, the sponsorship cheque is sent to the College in the name of the Principal, and is listed under the Students Council Account. The

money is utilized for the concerned activities and is audited too.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

Easy online access to data

The College launched a mobile interface of its website, from which the ERP can also be easily accessed. Thereby, students and faculty get an easy access to important data.

The ERP at the College is being used for collection, maintenance and dissemination of information. The personal data of all staff members as well as students is now being maintained in the ERP. Students' attendance entry and all marks calculations are also done on the ERP. Faculty members have been given a limited access to the ERP for uploading data related to their personal achievements and activities. Faculty members are given access to the ERP to do the students marks entry themselves, which is later verified by the College. This ensures accuracy and speeds up the work at the College. A need-based limited access of the ERP is given to the students also. They can check their attendance and results through the ERP. Students fill forms for personal data, scholarships, exit forms and other matters on the ERP as a step towards paperless form filling. Students pay fees online.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

Fusion of Online and Offline teaching

Year 2021-22 being an abnormal year due to Covid-19, the college functioned according to the guidelines issued by the UGC, Gujarat government and Gujarat University from time to time. When colleges were permitted to conduct physical classes while following Covid protocols, HLCC resumed conducting offline classes. However, a major lot of students who resided elsewhere were hesitant to relocate to the city and come to the college. The college, therefore, continued to conduct separate online classes on MS Teams platform throughout the year in addition to the offline classes at the college, thus ensuring students continue learning as per their convenience.

Online Internal Evaluation

With online and offline teaching-learning during the year, the College followed the guidelines declared from time to time by the Gujarat University and the government of Gujarat as regards continuous internal assessment. Accordingly, comprehensive evaluation of students was done through online assignments and online internal tests conducted by the college. MS Teams platform was used for internal assessment. Assignments were collected online using MS Forms or Google Forms. College internal exams were conducted online using MS Forms which ensured complete transparency and freedom from any prejudice in internal evaluation.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

The general atmosphere at the College provides an environment conducive to gender equity. Females constitute almost 50% of the students enrolled and almost 50% of the total teaching and non-teaching staff (permanent and temporary) at the college.

- **As per the instructions of Gujarat University, the College has also established a Collegiate Women's Development Cell (CWDC). The College has strictly enforced the Sexual Harassment Prevention policy and the Anti-ragging policy to ensure safety of all females on campus.**
- **Surveillance of CCTV cameras and round the clock security on campus ensure security.**
- **The girls' hostel is very close to the College, is guarded and has strict policy regarding timings and visitors.**
- **A separate block at the college houses rest room facilities for the girls. Facilities in this Ladies' Room are looked after by female cleaning staff only.**
- **A lady peon is available during regular college hours and accompanies the girl students for programmes and competitions out of the college campus.**
- **Psychological, emotional and social counselling is provided and short-term workshops, programmes and talks are conducted for the girls.**
- **Themes and topics focused on gender sensitization and equality are selected for various competitions and events at the college.**

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

With 65% of our students belonging to the reserved category, 40% coming from mofussil regions and 50% girl students, the college ensures no student feels neglected, by maintaining a congenial and inclusive atmosphere at the campus.

- **A "Sarva Dharma" Prayer at the beginning of every day to invoke the divine blessings creates a harmonic, unifying, peaceful and calm atmosphere.**
- **Celebration of National Festivals invokes patriotic feelings, solid aridity, harmony and respect for the secular tenets.**
- **Interclass competitions have underlying themes that promote harmony and tolerance towards all religions, languages and communities.**
- **Entrusting selections for competitions to teachers ensures each student gets an equal opportunity for participation and a fair chance of selection to represent the college.**
- **Cells like SCT, WDC, Anti Ragging, Scholarship Committee and Student Council led by teachers are easily accessible by students.**
- **Illustrations, case studies or questions hurting the sentiment of anyone are never used.**
- **All students are motivated to apply various financial scholarships, join value added courses and have equal career opportunities.**

Students develop a perspective of "Sambhaav" and "Unity in Diversity" and shed the baggage of discrimination that they might have brought along with them at the time of admission.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

The college conduct following activities in order to sensitize students and employees to the constitutional obligations of citizens and make them responsible citizens.

- Celebrate the National Festivals with aplomb.
- Organize an expert lecture on the Constitution of India.
- Propagate the tenets of equality and secularism by organizing various theme-based competitions which reflect the tenets of equality, fraternity and brotherhood. These include debates, painting, poster making, theatre, dance and music and HLCC MUN.
- Invite guest speakers to educate our students about their rights and responsibilities vis-a-vis the society, state, nation and world.
- Promote community service through a variety of NSS and NCC activities and camps.
- Run the Evening Gurukul for underprivileged students.
- Spread awareness about conserving the Environment through activities under Eco Buddy Club.
- Spread awareness about national and global issues through HLCC MUN platform.
- Organize Blood donation camp every year.
- Spread awareness about Thalessemia, Aids, Organ donation and other such common issues through expert lectures.

7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals

In order to inculcate patriotism and nationalistic feeling among the students, the College has the practice of celebrating the national festivals viz. the Independence Day and the Republic Day. Freedom fighters, local entrepreneurs and youth icons invited as the chief guests hoist the national flag, address the gathering, and conduct inspection of the College NCC battalion. Speech, song, dance and skit performances are organized.

The College has been celebrating the birth/death anniversary of great Indian personalities like Mahatma Gandhi, Sardar Patel, Vikram Sarabhai, Dr Sarvapalli Radhakrishnan and others by screening movies on them and by writing their thoughts and philosophy on the notice board in the porch of the College, to make the students aware of the life and work of these great personalities.

Since 1941, the College has been celebrating and propagating the Gandhian thought and philosophy by organizing the All Gujarat Mahatma Gandhi Elocution Trophy Competition around the death anniversary of Mahatma Gandhi. The topic of debate for the competition has always been based on some facet of Gandhian philosophy and is interwoven with contemporary affairs. This way the College has encouraged the modern youth to read about Gandhian philosophy and its applicability in all walks of life.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Online Grievance Redressal

It is a common practice for faculty members and students to directly approach office support staff and/or the Principal to solve any grievances and/or routine problems. However, when academic year 2021-22 began after the deadly second wave of the pandemic in our country, students were afraid to come to the college. The college, therefore, used online processes for all student-related work - admissions, fee collection, scholarships, internal evaluation, display of marks, grievance redressal, etc. Online classes were held to facilitate students not willing to come for offline classes. Personal mobiles numbers and emails were made available to all students so that they could raise queries and get them resolved at the earliest, either online or telephonically. A Query Case Team was created on the College MS Teams platform and all queries were solved. Even the faculty played a great role in grievance redressal of students as many of them solved the grievances raised by them through personal chats on MS Team. It was a practice that was necessitated by the Pandemic times but we will continue with the practice as it is so much more time saving and convenient for all concerned.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Hybrid mode of Education to help students

- **The college continued to conduct its routine and special activities and meetings during the Covid affected year, online if possible or offline with the best possible arrangements. Covid-19 protocols were strictly followed on the campus during classes and in person meetings.**
- **Whereas most colleges in the city suspended online classes or started live streaming of offline classes, HLCC preferred to conduct the online and offline classes separately throughout the year in view of the different needs and expectations of the two different target groups. This enabled students to continue their education smoothly even if they did not come to the college.**
- **The internal evaluation was also completed online on MS Teams, thus facilitating students from outside Ahmedabad to continue studies from the comfort of their homes.**
- **Students related administrative work, admissions, fees payment, scholarships, and grievance redressal were managed in a safe online environment.**
- **For stress relief and mental support, the students were motivated to participate and perform their best in various co-curricular and extra-activities held online. A series of webinars were arranged on variety topics to keep up with the college goal of 'widening horizons'.**

Part B

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

As HL is affiliated to the Gujarat University, it follows the programs as designed by the university and the courses are offered as per the syllabus designed by the university.

With Covid-19, however, uncertainties regarding the academic year 2021-22 continued. The college was already well-equipped with infrastructure and facilities required to do online teaching through MS Teams platform. As the Gujarat government permitted colleges to allow students in physical classrooms, HL opened its doors for the students to come to the classrooms. However, in order to facilitate a large number of students who were from out of the city and were hesitant to live in hostels/PG facilities, the college continued online classes on MS Teams alongside offline teaching in classrooms.

Department wise meetings were held, and faculty members together prepared the plan to teach various topics under each course. A synchronized timetable for online and offline classes ensured regular classes during the entire year. Informal evaluation of course completion was done at departmental level regularly from time to time. Comprehensive evaluation of students was done through online assignments and online internal tests conducted by the college. Final semester-end examination was conducted by the Gujarat University.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

Year 2021-22 continued to be disrupted due to Covid-19 waves. As the Gujarat University academic calendar to be followed by all affiliated colleges was delayed, HL prepared its own

academic calendar for each of the two terms during the academic year. When the government permitted conducting physical classes at the college in July 2022 after the Delta wave, the college gave students the option to come to the college with all SOPs in place. However, online classes were conducted on MS Teams platform throughout the year as per the regular timetable which enabled students hesitant to come to the college to learn at ease from the comfort of their homes. Comprehensive internal evaluation of students was done through online assignments and online internal tests conducted by the college. As the Gujarat University centralized admissions and semester-end Gujarat University exams were delayed, the college conducted an additional online exam during the summer vacation in May 2022 in order to teach the syllabus in a proper manner and ensure adherence to the academic calendar.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

Professional Ethics is at the core of a business and an important value for every commerce graduate. These ethics are covered in various topics in courses like Taxation, Auditing and Business Organization and Management. Additionally, various foundation and soft skill courses offered by the College address issues related to professional ethics. Courses like Life Insurance Services (Sem I), General Insurance (Sem III), Business Process Outsourcing (Sem IV), Market Research (Sem V), Personal Financial Planning (Sem VI) and Business Information Analysis (Sem VI) are aimed to sensitize students towards professional ethics in various industries.

Gender issues are covered in various topics of Economics courses, and stories and other literary genres in the English subject.

Human values issues are addressed in a general sense in various topics of Economics courses and Commercial Communication courses, and in literature teaching in the English subject. Soft skills courses offered by the College at various semesters seek to sensitize students towards various human traits.

Students are made aware of various environmental and sustainability issues as a part of teaching various courses of Economics, and foundation courses, viz. Environmental Studies and Rural Marketing.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

HL is characterized by the principles of diversity and equity of the students groups who seek admission. They come from urban elitists groups as well as from rural mofussil areas. As

students from diverse educational, economic, social, linguistic and locational backgrounds secured admission at the undergraduate level, and started studying online/offline, the faculty members tried to help students from vernacular medium and make them feel comfortable with the English language by delivering bilingual lectures for initial few days and by gradually introducing subject specific terminology. During online classes, teachers would encourage students to unmute their microphones, participate in class discussions and ask questions, so that their doubts could be solved. Special revision cum remedial classes were held for giving additional attention to slow learners. More practice questions in practical subjects were provided to them. The brighter group in every class was provided with a platform during the class room discussions so that their special abilities are further sharpened. Challenging questions were provided to them. Students, both advanced learners and slow learners, were encouraged to contact individual teachers online for one-to-one clarification of doubts.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

During the year 2021-22, with more than 60% students choosing to study online and a limited face-to-face contact between teachers and students, it was a challenge to enhance learning experiences of the students. Learning was made student-centric by boosting the interactive process in academics. As teachers

took online classes on MS Teams platform, they could use technology to make classes more interesting and student centric. Wherever possible the practical approach to teaching learning was adopted to ensure that students did not lose interest in online classes. After sharing videos and movie excerpts in the class, wherever possible, teachers posed questions. Students had to analyze and give their viewpoints. This encouraged participative learning. Teachers also shared links to free online learning resources like websites, videos, blogs, books, movies, notes, presentations, etc so that students could refer to them at their own convenience. Discussions, quizzes and assignments in online and offline classes made learning a fun activity. Questions were provided in practical subjects like Accountancy and Statistics, and students solved them on their own.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

Covid-19 pandemic in March 2020 and the subsequent restrictions necessitated exploring new ways of teaching-learning during 2020-21. The same continued through the academic year 2021-22. Teachers engaged students in online learning using the MS Teams platform. Effective teaching was possible only by using ICT tools. Teachers used various gadgets such as laptops, smart phones, tablets, ipads, digital writing pads, stylus, headphones, microphones, etc to conduct online classes. Depending on the subject, teachers used presentations, videos, movies, e-books, blogs, websites, notes, etc for making the learning process an enjoyable experience for the students sitting in their homes at various places. A lot of these gadgets and study material were used by teachers during 2021-22 in physical classes during offline teaching as well.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

With online as well as offline teaching-learning during the year, the College followed the guidelines declared from time to time by the Gujarat University and the government of Gujarat as regards continuous internal assessment. Accordingly, evaluation of students was done through online assignments and exams. The pattern of internal evaluation, tentative dates of assignment submission, college examination, and other relevant details were discussed in the staff meeting, and then communicated to the students. The HODs decided the names of faculty members and the courses for which they would set exam question papers. MS Teams platform was used to conduct internal assessment. Assignments were collected online using MS Forms or Google Forms. College internal exams were conducted online using MS Forms which ensured complete transparency and freedom from any prejudice in internal evaluation. Internal Audit and Academic Audit conducted at the College level also ensures transparency

in all evaluation procedures.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

All important matters relating to college internal assessment, examination and assignments, such as pattern, marks, submission deadlines, etc were intimated to the students through circulars put up in MS Teams platform which has now become an official mode of communication to students. The marks scored by students were put up on MS Teams and uploaded on the college ERP. Any student having any examination or evaluation related grievance could apply to the College for verification. The college informed the teacher concerned, who checked the records and solved the queries. The student would then be intimated of the result of the verification.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The College has clearly stated the Program Outcomes (POs) for the B Com program and Course Outcomes (COs) for all courses. They have been communicated to the teachers and students. As the teachers deliver course contents in the respective classes, they make sure that the expected outcomes are attained by the students. Teachers set questions in the examination question papers keeping in mind that they help to measure the outcomes. Marks obtained by the students in the college test and final university examination are a measure of the attainment of the PSOs and COs. Assignments/projects submitted by students and marks obtained by them also indicate the outcomes. Analysis of the results of the students by the college help to evaluate the attainment of POs and COs by the students.

3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

HLCC Innovation Club was set up in February 2022, as the government of Gujarat encouraged the Student Start-up and Innovation Program for non-technical graduate students studying in various colleges across the state. One faculty member and 3 students attended a 10-day 60 hours skill enhancement training in emerging technologies which was funded by the Gujarat government. The college has also been provided with 10 Do-It-Yourself (DIY) kits to be used by students for putting their innovative ideas into shape. There is a plan to organize hands-on training for more students at the college. The College invites expert speakers from various fields to share knowledge and spark 'out of the box' thinking of students and faculty. All this will establish a culture of innovation at the college, and the results will show up in times ahead.

The College also motivates research and creation of knowledge

by teachers and students by providing an encouraging environment for research, various facilities, flexibility in timings, special/duty leaves, substitute teachers, books/journals, reimbursement of registration fees, etc. As a part of the College wall magazine H L Times, the college encourages students to prepare articles and exhibits to understand important issues themselves and make other students aware.

3.4 - Extension Activities

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

The College has active NSS and NCC units, which act as liaison units in arranging various extension activities in

collaboration with various local organizations. They sensitize the students to various social, health, environmental issues and ensure their holistic development, and groom the softer side of their personality. Blood donation camps, visits to hospitals and old age homes, tree plantation, cleanliness drives, talks by experts for physical and psychological wellbeing, etc and programmes for environment consciousness, gender equity, civic duties, etc are organized to sensitize students to various social issues.

During 2021-22, 30 students participated at a 3-day camp at Maghodi village understanding rural issues and tried to address them. The NSS unit also organized student visits to a Cancer hospital and to an old-age home to sensitize students to social issues. Visit to an environment cleanliness institute and a tree plantation at the college campus made them realize the importance of environment and working for climate change.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

HLCC has an active Students' Council comprising of 26 class representatives, two each from twelve classes of B Com and one each from two classes of M Com. Members are nominated to the Council on merit basis. Office bearers, who are nominated from amongst them, take lead in shouldering responsibilities in planning, organizing, delegating and carrying out co-curricular activities at the College. The other members are actively involved in assisting them and in coordinating the activities. The Students' Council under the guidance of the Faculty-in-charge annually organizes the cultural festival of the college "Expressions" and various inter-college and intra-college competitions and events, and celebrates various festivals/days at the college. The Council motivates students to participate in these events and competitions. It also acts as a liaison between the students and the college, making suggestions and discussing problems faced by the students. The General Secretary is a member of the IQAC, and plays an important role by providing student inputs for making various changes at the College. The Ladies Representative is a member of the CWDC (Collegiate Women's Development Cell), which works for the financial, social and emotional empowerment of girl students.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

H L College Alumni Association (HLCAA), established in 1988, has more than 6500 members. It acts as a link between the alumni and the alma mater. It aims to fulfil the desire of past students to have fellowship and helps them create an emotional bond with the college where they spent important years of their lives. HLCAA enables the alumni to participate in activities which contributes to the general development of the college. It regularly holds wide ranging programmes, educational and entertainment, involving both past and present students, thereby contributing to the College through financial and non-financial means. For these programmes, HLCAA collaborates with various city-based organizations and associations.

HLCAA organized 15 programs during 2021-22 adhering to Covid protocols. 400 people were inoculated at two free Covid vaccination camps. The HL Soccer League was organized for the first time, where 450+ players played 70 matches across 4 categories over 3 days. Former Union Minister Shri Suresh Prabhu delivered the annual Prin S V Desai Memorial Lecture. Workshops were organized to teach garba, Canva and eco-friendly Ganesha. Other programs included tree plantation, physiotherapy workshop, teachers' day celebration, painting competition,

sports competitions, and a farewell function for a retiring faculty member.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

HLCC strives to widen the knowledge horizons of its commerce students and adds wind under the wings of our students. All students are provided with equal opportunities for learning and personal growth. The College tries to bridge the gap between academia and industry by initiating value added courses at affordable fees for the students such as Tally ERP, short term Computer Courses, etc. The College prepares its students for careers or study after graduation by providing coaching for exams conducted by UPSC, GPSC, Staff Selection Commission, banks, etc. and for MBA entrance. HLCC MUN, TEDxHLCC, debate competitions and other events hone the global awareness, communication skills and leadership qualities of the students and instill team spirit and sportsman spirit. The College faculty is dedicated to teaching, mentoring and chiseling the creative potential of the students. Social consciousness is instilled in the students so that they can contribute wholesomely to the society. All academic planning is done in advance when the academic year is about to close. Teachers are involved in all decisions. All the academic, administrative and cultural committees are formed with teachers as Convenors and as members and the Principal as an ex-officio member.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The management structure of the college is decentralized and participative, with Ahmedabad Education Society (AES) at the helm of affairs. The Academic Council constituted by the AES consists of the Director AES, Academic Adviser and the Principals of the five grant-in-aid colleges under the AES. An Advisory Committee has been constituted for each grant-in-aid college which has representation from not only from the AES and HLCC, but also from the alumni and business. The Academic Council and Advisory Committee play a pivotal role in providing strategic inputs to the colleges for its progress. The Principals are authorized to govern and manage the colleges within the purview of the rules and regulations laid down by the Government of Gujarat, Gujarat University and the AES. All major decisions pertaining to academic calendar including teaching-learning, examinations, events and activities are taken after discussions at Faculty meetings which are convened by the Principal quarterly. The Heads of Departments (HODs) conduct departmental meetings for syllabus, exam related matters and result analysis. Professors-in-charge of activity clubs in discussion with student groups and Principal chart out the plan and budget for various activities. Thereafter, the Students Council helps teachers to conduct various student activities.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

Online and Offline Teaching-Learning

Year 2021-22 being an abnormal year due to Covid-19, the college functioned according to the guidelines issued by the UGC, Gujarat government and Gujarat University from time to time. When colleges were permitted to conduct physical classes while following Covid protocols, HLCC resumed conducting offline classes. However, a major lot of students who resided elsewhere were hesitant to relocate to the city and come to the college. The college, therefore, continued to conduct separate online classes on MS Teams platform throughout the year in addition to the offline classes at the college, thus facilitating students to choose the mode of learning as per their convenience. The college conducted comprehensive internal evaluation of students through online assignments and online internal tests using MS Teams platform. Assignments were collected online using MS Forms or Google Forms. College internal exams were conducted online using MS Forms. Mock Tests for students made them comfortable with the new way of assessment. The college ensured complete transparency and freedom from any prejudice in internal evaluation. This ensured that all students could learn in a comfortable manner and were evaluated properly despite the uncertainties resulting from different waves of Covid hitting the country.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

Being a grant-in-aid college, HLCC works under directions from the Government of Gujarat, the Gujarat University and the Ahmedabad Education Society.

The College receives salary and library grants from the Government of Gujarat. The library grant is utilized as per the norms, and the accounts are audited from time to time. The salary of government appointed faculty members and office staff is directly credited to their respective accounts. The department of Higher Education looks into various matters like workload of faculty, service records, remuneration, increments,

service rules, retirement, pension, implementation of Pay Commission, scholarships to students, etc. Appointments to faculty positions are made directly by the government while involving AES and the college to a little extent. In absence of regular appointments by the government, deficit in teaching and non-teaching staff at the college is taken care of by appointments made by the AES.

Admissions to B Com and M Com are centralized at the Gujarat University. All academic matters like syllabi for various courses, reference books, course credits, evaluation system, etc. as well as the academic calendar, term setting, teaching days, dates of examinations, holidays and vacations etc. are decided by the University, and communicated to the College.

6.3 - Faculty Empowerment Strategies

6.3.1 - The institution has effective welfare measures for teaching and non- teaching staff

As the college is a government-aided college, the teaching

staff is appointed by the government and gets all benefits as per the rules and regulations of the government of Gujarat. In order to encourage faculty members to attend professional programmes, duty leave is granted and registration fees are reimbursed. Full time faculty members have been provided with laptops, free Wi-Fi, photocopy facility and individual collar mikes.

Most of the non-teaching staff at the College at present has been appointed by the AES management, and their salaries and all other benefits are paid by the management. The staff gets the benefit of PF, regular annual increments, holidays, casual leave, sick leave, earned leave, etc. and leave encashment benefits as per the Gujarat government and Gujarat University rules. The staff gets travel allowance for on-duty work. Group medical insurance and Mediclaim of the staff and their family members has been taken by the management. Class 4 employees are provided with uniforms and given washing allowance.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

At the end of each semester, regular online feedback regarding teachers' performance with regard to teaching methodology, depth of knowledge, teachers' ability to solve student queries, approach in the class and accessibility of the teacher is taken from all students. Teachers are required to fill up their (Academic Performance Indicators) API forms. The Academic Adviser and the Principal conduct a personal meeting with each faculty member, where the API report and the feedback analysis are discussed. Research conducted by the faculty member and papers published are also discussed and motivation for further research is provided. An Academic Audit is carried out by an external agency every year. The report of this audit is sent to the Principal, the Academic Adviser and the management.

The non-teaching staff has been made aware of the performance report and its parameters. A report is prepared by the Principal and sent to the management every year. The Deputy Secretary of the AES along with the Principal then individually meet every staff member to discuss the same. Positive suggestions are then given to each of them and the annual increments are given thereafter.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

Mobilization of funds

The College mobilizes funds by way of sponsorships received from private organizations for various student activities, through college development activities by the alumni association, by rent received on renting the college building for various government exams, fees charged to students for short-term certificate courses and various special services/documents provided to them.

Optimal Utilization of Resources

The College is a classic example of optimal utilization of resources especially the infrastructural resources, the building and the ground, which are shared with the sister institutes. The building is used for running classes, certificate courses before and after routine college hours, and conducting various exams. The college ground is also rented out

for various sports events on Sundays and holidays.

Resource Mobilization Policy

The Sponsorship Team of students' contacts prospective sponsors, discusses the deliverables with them and the Sponsorship Committee Faculty Coordinator also talks to them. Upon agreement, the sponsorship cheque is sent to the College in the name of the Principal, and is listed under the Students Council Account. The money is utilized for the concerned activities and is audited too.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

Easy online access to data

The College launched a mobile interface of its website, from which the ERP can also be easily accessed. Thereby, students and faculty get an easy access to important data.

The ERP at the College is being used for collection, maintenance and dissemination of information. The personal data of all staff members as well as students is now being maintained in the ERP. Students' attendance entry and all marks calculations are also done on the ERP. Faculty members have been given a limited access to the ERP for uploading data related to their personal achievements and activities. Faculty members are given access to the ERP to do the students marks entry themselves, which is later verified by the College. This ensures accuracy and speeds up the work at the College. A need-based limited access of the ERP is given to the students also. They can check their attendance and results through the ERP. Students fill forms for personal data, scholarships, exit forms and other matters on the ERP as a step towards paperless form filling. Students pay fees online.

The college, therefore, continued to conduct separate online classes on MS Teams platform throughout the year in addition to the offline classes at the college, thus ensuring students continue learning as per their convenience.

Online Internal Evaluation

With online and offline teaching-learning during the year, the College followed the guidelines declared from time to time by the Gujarat University and the government of Gujarat as regards continuous internal assessment. Accordingly, comprehensive evaluation of students was done through online assignments and online internal tests conducted by the college. MS Teams platform was used for internal assessment. Assignments were collected online using MS Forms or Google Forms. College internal exams were conducted online using MS Forms which ensured complete transparency and freedom from any prejudice in internal evaluation.

7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals

In order to inculcate patriotism and nationalistic feeling among the students, the College has the practice of celebrating the national festivals viz. the Independence Day and the Republic Day. Freedom fighters, local entrepreneurs and youth icons invited as the chief guests hoist the national flag, address the gathering, and conduct inspection of the College NCC battalion. Speech, song, dance and skit performances are organized.

The College has been celebrating the birth/death anniversary of great Indian personalities like Mahatma Gandhi, Sardar Patel, Vikram Sarabhai, Dr Sarvapalli Radhakrishnan and others by screening movies on them and by writing their thoughts and philosophy on the notice board in the porch of the College, to make the students aware of the life and work of these great personalities.

Since 1941, the College has been celebrating and propagating the Gandhian thought and philosophy by organizing the All Gujarat Mahatma Gandhi Elocution Trophy Competition around the death anniversary of Mahatma Gandhi. The topic of debate for the competition has always been based on some facet of Gandhian philosophy and is interwoven with contemporary affairs. This way the College has encouraged the modern youth to read about Gandhian philosophy and its applicability in all walks of life.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Online Grievance Redressal

It is a common practice for faculty members and students to directly approach office support staff and/or the Principal to solve any grievances and/or routine problems. However, when academic year 2021-22 began after the deadly second wave of the pandemic in our country, students were afraid to come to the college. The college, therefore, used online processes for all student-related work - admissions, fee collection, scholarships, internal evaluation, display of marks, grievance redressal, etc. Online classes were held to facilitate students not willing to come for offline classes. Personal mobiles numbers and emails were made available to all students so that they could raise queries and get them resolved at the earliest,

either online or telephonically. A Query Case Team was created on the College MS Teams platform and all queries were solved. Even the faculty played a great role in grievance redressal of students as many of them solved the grievances raised by them through personal chats on MS Team. It was a practice that was necessitated by the Pandemic times but we will continue with the practice as it is so much more time saving and convenient for all concerned.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Hybrid mode of Education to help students

- The college continued to conduct its routine and special activities and meetings during the Covid affected year, online if possible or offline with the best possible arrangements. Covid-19 protocols were strictly followed on the campus during classes and in person meetings.
- Whereas most colleges in the city suspended online classes or started live streaming of offline classes, HLCC preferred to conduct the online and offline classes separately throughout the year in view of the different needs and expectations of the two different target groups. This enabled students to continue their education smoothly even if they did not come to the college.
- The internal evaluation was also completed online on MS Teams, thus facilitating students from outside Ahmedabad to continue studies from the comfort of their homes.
- Students related administrative work, admissions, fees payment, scholarships, and grievance redressal were managed in a safe online environment.
- For stress relief and mental support, the students were motivated to participate and perform their best in various co-curricular and extra-activities held online. A series of webinars were arranged on variety topics to keep up with the college goal of 'widening horizons'.
