7	Shapath Shah – Alumni Representative (President, HLCAA)	Present

**Note:** We are waiting for confirmation from Dr. Rakesh Pandya (Director, Directorate of Economics & Statistics, GOG) as an Industry Representative.

## **Proceedings of the Meeting:**

### **1. Introduction of Members:**

- The meeting commenced with a welcome address by Prof. Pravin Parmar, who expressed gratitude to all members for their presence and contributions to the Board of Studies (BOS).
- Each member introduced themselves, mentioning their professional background and expertise.
- Prof. Parmar highlighted the importance of the BOS in ensuring a well-structured and industry-relevant curriculum.

### **2. Inputs in Framing the Syllabus:**

- The proposed syllabus for the Semester 1 & 2 Statistics course for Grant-in-Aid B Com Accountancy program was discussed in detail.
- Faculty members and experts provided feedback on various topics, including course objectives, structure, and real-world applications.
- It was suggested that industry-relevant statistical tools and software should be incorporated to enhance practical learning.

### **3. Finalization and Approval of the Syllabus:**

- After detailed discussions and necessary modifications, the Board of Studies approved the syllabus.
- Minor modifications were recommended to better align the content with industry requirements and academic standards.
- The final syllabus will be implemented from the upcoming academic session.

### **Key Resolutions Passed:**

- The proposed syllabus, with the suggested modifications, was unanimously approved.
- The inclusion of case studies and project-based learning was suggested to enhance the applicability of statistical concepts.
- It was decided that periodic reviews of the syllabus would be conducted to keep it updated with evolving industry trends.

**Action Items:**

- The finalized syllabus will be submitted to the Academic Council for further approval.
- Faculty members will incorporate industry suggestions into their teaching methodology.
- Workshops and guest lectures will be organized to familiarize students with practical applications of statistical techniques.

**Conclusion:**

The meeting concluded with a vote of thanks to all members for their valuable inputs and participation.

**Prof. Pravin Parmar**

Head, Department of Statistics
