IVTH Board of Studies (BoS) Meeting – BCOM & MCOM GIA Programmes

Date: Thursday, April 16, 2026

Mode: Google Meet (Online)

Subject: Review of Previously Approved Economics courses under ID/MD grant in aid for BCOM & MCOM programme 2026.

Minutes of the Meeting

A meeting of the concerned members was conducted on **Thursday, 16 April 2026 at 10:30 AM (IST)** through **Online Mode** to review the previously approved **Economics courses under ID/MD Grant-in-Aid for B.Com. and M.Com. programmes.**

Agenda of the Meeting

- Review of previously approved Economics courses under ID/MD Grant-in-Aid for B.Com. and M.Com. programmes.
- To obtain inputs and suggestions from BOS members.

Proceedings

The meeting commenced with a **welcome address by Dr. Radha P. Tiwari**, who warmly welcomed all the **BOS members.**

Thereafter, the discussion began on the previously approved Economics courses for the **B.Com. and M.Com. programmes** under the **ID/MD Grant-in-Aid.**

The members reviewed the syllabus content in detail and expressed their observations and suggestions for further enhancement.

During the course of discussion:

- **Dr. Sangeeta Ghate** informed the members that she would review all the syllabi thoroughly, and if any correction or suggestion is required, the same would be communicated to the **Board of Studies (BOS).**
- The other members appreciated the content of the syllabi and suggested that **more case-based studies** should be incorporated in all syllabi to make the teaching-learning process more practical and application-oriented.
- **Dr. Hitesh** suggested that aspects of **Public Policy** may be incorporated during the delivery of the courses in the classroom.
- **Dr. Kishor** suggested adding the **basics of Revenue** in the **B.Com. Semester I syllabus.** He also recommended reviewing the **Course Outcomes (COs)** of **B.Com. Semester III** and **M.Com. Semester I.**
- **CA Anchal Agrawal** suggested that the topic of **Market Structures** in **B.Com. Semester I, Unit IV** should be explained distinctly so that students may understand the topic more clearly and properly. She also suggested adding more **practical and application-oriented components** in all topics so that students can understand them more effectively.
